*You fought to protect our homeland.  
... At VA Butler Healthcare,  
we're working to give YOU  
a place to call 'home'.*

*“Where would I be if not for this place? Where would I get a job to give an address to an employer? They have phones here where you can make calls, so ... this is the step every Veteran needs to have ... a place for an address, a phone where you can be contacted. This is really good.”*
