295 North Kerrwood Drive, Hermitage PA 16148

All Veterans are eligible to receive a free flu shot from the Butler VA Health Care System.

Non-Veterans, to include spouses and dependents who do not have military service, are not eligible for a flu shot from the Butler VA.

Veterans may receive a flu shot at any of the Butler VA Health Care System locations listed above. An appointment is not required. Appropriate physical distancing and wearing of a CDC approved face mask or face shield is required.

Flu shots provided at the Abie Abraham VA Clinic (located at 353 N. Duffy Rd. Butler, PA. 16001) will be administered in the parking lot at a designated “drive-thru” point. Veterans will not enter the Health Care Center facility to receive a flu shot. Instead, signage will be posted to direct vehicle travel and Veterans will remain in their vehicle.

Flu shots provided at the Armstrong, Clarion, Cranberry Township, Lawrence, and Mercer County VA Clinic locations will be administered inside the clinics. Please carefully note the schedule above, as some dates/times will be by first letter of last name. As a reminder, please wear a mask and observe proper physical distancing. Please also have your cell phone on you for check-in purposes.

Vaccination is the surest way to protect against getting the flu. Get your flu shot every year to protect yourself and help keep the flu from spreading to others.

www.publichealth.va.gov/flu/vaccination.

For more information or any questions about the upcoming flu clinics, please contact Ron Collett at (878) 271-6677
